

Hyde Park West Telecommunications 15% Discount Email Copy

Hi there,

I wanted to let you know that Hyde Park West Telecommunications **is** participating and demonstrating in the [Oil & Gas Automation and Technology Week Summit](#) on 14-15 February in Houston where we will be exhibiting our tailored connectivity solutions including the HOO-nah preconfigured solution and have a 15% discount code for our clients to attend.

Content: To help these operators overcome their rising digital transformation and connectivity challenges, Hyde Park West Telecommunications will be exhibiting their tailored or customized connectivity solutions to attendees and expert speakers from upstream, midstream and downstream organizations and aid them in creating a highly effective digital strategy for their operations. These solutions will be demonstrated at the Summit.

Attend to learn from over 25 [industry experts](#) including:

- **Philippe Daroux**, Industrial Network Design and Consulting Manager, **Chevron**
- **Brent Railey**, Manager of Data Science, **Chevron Phillips Chemical Company**
- **Graham Provost**, Vice President of Strategy and Business Development for Process Industries, **CORYS**
- **Julie Thyne**, Global Improvement Director, **Dow**
- **Partha Chatterjee**, Data and Analytics SME, **Shell Energy Americas**

View the full speaker and session line-up [here](#).

The summit will explore how manufacturing, automation, and digitalization specialists from leading upstream, midstream and downstream operators, technology suppliers and solutions providers are focusing their strategy on Digital Transformation within Oil & Gas Operations.

Simply register online using the discount SPONSOR15 to utilize the offer.

Hope to see you in Houston. To find out more about the event or register, visit <https://bit.ly/OGAT-HPWT>, email info@amg-world.co.uk or call +44 (0) 113 3970 379 for details.
